MWA Facility Visit to

NATIONAL METROLOGY INSTITUTE OF MALAYSIA

Date : 23 January 2019 (Wednesday)
Time : 9:00 am – 12:00 pm
Venue : National Metrology Institute of Malaysia (NMIM)
Lot PT 4803, Bandar Baru Salak Tinggi
43900 Sepang, Selangor

National Metrology Institute of Malaysia (NMIM) is established to support the industries and nation's needs on the reliability of measurement unit in Malaysia. Its existence has evolved from a local calibration organisation to positioning itself as standard laboratory which is recognised internationally. Of particular interest to water industry is the standard and calibration of water meters.
