# ASSET MANAGEMENT ROUNDTABLE SERIES 2024/2025

## ABOUT ASSET MANAGEMENT ROUNDTABLE SERIES 2024/2025

The Asset Management Roundtable Series: Asset & Facility Management in Water Industries (AMRS2024/2025) is the 2nd series of the event after the first one held in June 2024. With the theme "Integrated Strategies for Sustainable Water Asset Management: Uniting Industry, Government, and Community Objectives", AMRS 2024/2025 will gather professionals in

water management industry, Project Management and Asset Management experts from all over Malaysia and will be a place for exchange of ideas, networking and engaging in lively discussions on emerging topics of interest in the areas of water Management.

### OBJECTIVES :

- To discuss and explore best practices specifically for water assets
- To evaluate current strategies in improving efficiency and sustainability in water asset management
- To foster collaboration and knowledge exchange among key stakeholders including government bodies, water utility operators, and industry professionals

### WHO SHOULD ATTEND?

- Contractors
- Consultants
- Government and private sector personnel involved in water management
- Water asset owners
- Water asset operators
