

For Visitor Self Registration via

<https://securityaccess.airselangor.com/Common/VisitorRegistration.aspx>

All visitors are encouraged to furnish and submit the online guest registration at least 1 day before the event. This is to avoid delays during entering the WTP.

You may share the Appointment Details below with the participants. Once submitted, the system will notify the visitor with the QR Code via email. The visitor/participants can use the QR Code to access the building on appointment day. The QR code will be activated 15 minutes before the appointment time.

The screenshot shows the 'Visitor Self Registration' page on the Air Selangor website. The page features a progress bar at the top with seven steps, where the first step is highlighted. Below the progress bar, the 'Appointment Details' section is visible. It contains several dropdown menus and text input fields for registration information. The 'Person Meet Branch' is set to 'SG LANGAT 2 WTP', 'Category' is 'Visitor', and 'Whom you would like to visit?' is 'MUHAMMAD AKMAL BIN ABDUL RASHID (AIS05023)'. The 'Department' is 'Production-Southern Region-Production (SRO)', 'Purpose of your visit?' is 'Event', 'Appointment Start Date & Time' is '07/03/2023 09:00', and 'Appointment End Date & Time' is '07/03/2023 14:00'. At the bottom, there is a text area for 'Would you like to add comments for your visit?' with the text 'The Malaysian Water Association (MWA) Half Day Technical Briefing and Visit to Langat 2 Water Treatment Plant (L2WTP)' entered.
